Subd Dr 10/6.

The question is what rates of travelling & halting allowances should be allowed to Educational Officers in B class II & C class I. I think these officers should take rank with ~~the Residency~~ Apothecaries and Dispensers and Apothecaries & Clerks the allowances for which they have been recommended. If this is allowed, the matter will be settled in the Financial Secretary's proceedings 27/6/97

Settlement of pay of Inspectors, Officers of Education Dept who actually draw Rs 250 subsistence may, I think, without reference to the class in which they are, be allowed 1st class fares & kindly allow drawn & and forwarded 28/6/97

27/6/97

Resolved for consideration.

The fixing of pay at Rs 250 would lead to a difficulty.

The pay of officers in Class B II is Rs 150 — 300.

That of officers in Class C I is 200 — 300.

Some officers in the same class would in consequence of the proposed limit draw as class allowances while others would be entitled to 2nd class batta. This seems undesirable. All officers in the above class may be given 1st class batta. Moreover an officer in class B II is generally regarded as higher than an officer in Class C I. And it is not right that an officer in Class I should draw less batta than an officer in Class II getting Rs 250 salary.

C

The matter must be in position when the pay of the Off. — 29/6/97

An Off drawing more pay is supposed just then to spend more than an Off drawing less pay. I think therefore, that the pay limit proposed is better

Letter no $\frac{11277}{369}$ dt 4th June/98 from the Inspector General of Education in Mysore.

The Inspector General brings to notice that under the existing rules (article 532(c) of the Mysore Service Regulations) School masters are entitled only to travelling allowance in the shape of mileage at the rates noted below and that too only for journeys on transfer

(1) on pay of Rs 100 and upwards } 4 annas per mile

(2) on pay of less than Rs 100 — } 2 annas per mile

No provision is made in the Regulations for cases of journeys on other public duties nor is there any regarding the Class of accomodation

- dation which they are entitled to when they travel by railway or the daily allowance which they may claim in cases of halts.

In Soliciting Govt to prescribe a suitable Scale of daily allowance and mileage for the Principals and other officers of the Scholastic branch, the Inspector General suggests the following rates of mileage and daily allowance in place of those laid down in article 532 (C)

	Daily allowance	Mileage
For A classes I + II of Superior officers - - - - -	Rupees 5	annas 6
For other School masters whose pay is above Rs 100 -	3/10ths of pay	annas 6
For officers whose pay is less than Rs 100 but not less than Rs 30/- - - -	—do—	annas 4
For those on pay less than Rs 30/-	—do—	annas 2

As regards the class of accommodation for railway travelling the Inspector General solicits Government to extend to them the provisions of article 521.

In view to enable Govt to prescribe a clear and complete scale of travelling allowance to all officers of the Education Department, the following classification of officers is submitted for consideration and orders.

Class I
(a) Principal Central College
(b) Inspector General of Education

Do II Officers whose pay is Rs 700 per mensem and upwards

Do III Officers whose pay is less than 700/- but not less than Rs 300/-

IV Officers whose pay is less than 300/- but not less than 150/- and Dy Inspectors of Schools of all grades

V Officers whose pay is not less than Rs 30/-

Dear Sir,

As to the general revision of travelling allowances, the question of rates allowable to the officers of the Edn Dept was reserved for separate treatment. The Dpt has now moved in the matter. The scale now in force by them does not seem to be altogether good. Some such scale as that suggested by the Mr. Levy or a scale based upon the classification of the Edn officers seems better. If the present classification is likely to be retained, the question of rates of Batta might be reclassed to correspond for same time. I

The Secretary to Government
General & Revenue Departments.

Sir,

I have the honour to forward Travelling Allowance Bills from the following Members of the Staff of this College who went to Mysore, on invitation, to be present at the marriage of Her Highness the First Princess. As no definite rules connected with such matters have been laid down in the Mysore Service Regulations for Educational officers, the amounts claimed have been according to those in force for officers of corresponding pay and position in other Departments such as Probationery Assistant Commissioners, Assistant Conservators of

of Forests and 3 Assistant Surgeons namely Double First class Railway fare with halting allowance at Rs 3/- per day for each of the following:- Mr. R. Venkataramaiya B.A. Mathematical Professor - pay Rs 290/- C Class I Mr. R. Raghunatha Rao History Professor - pay Rs 250/- & Mr M. T. Narasimha Iyengar M.A. Mathematical Professor B Class II - pay Rs 270/-: Double Second class Railway fare with batta 3/10ths of pay for the following Mr C. M. Vijayaraghavachar B.A. C Class II (b) Senior Science Assistant - pay Rs 110 - Mr P. R. Subrahmanya Sastri B.A., Assistant master - C Class III pay Rs 100 - Pandit Visweswara Sastri, Sanskrit Pandit - pay Rs 54: Double Third class fare with batta 3/10ths of pay for Pandit Jayaram Venkatachar, Junior Kannada Pandit - pay Rs 22/-.

On a former similar occasion (Marriage of Her Highness the Second Princess) when a similar Travelling Allowance Bill was submitted to the Comptroller from Mr M. T. Narasimha Iyengar, Mathematical Professor, it was returned

returned from the Comptroller's office with reduction of allowance from double first class Railway fare to double Second class, thereby implying that his official status was lower than that of Probationary assistant Commissioners, assistant Conservators of Forests and assistant Surgeons, although his pay was even higher than theirs and social rank quite equal to theirs in virtue of his high University degree. I have the honour to request that the general question may be brought before Government for settlement, as it has been for many years back a matter of disappointment to Educational officers of the Government that they seem to have been overlooked in the assignation of official status in the Civil Service Regulations.

I have the honour to be
